ColorMax8 Digital Colour Printer

MACOLORMAX8

The ColorMax8 Digital Colour Printer combines the latest in inkjet technology with the capacity to produce full-bleed, full-colour mailing and packaging solutions. In addition to envelope printing and addressing, the wider, flatter paper path allows users to print on stuffed envelopes, 10" x 13" flats, chipboard, corrugated cardboard, cartons, padded envelopes and more, up to 3/8" thick.

Clamshell Design

The ColorMax8 features front access to the high-capacity ink tanks and fully automated print head for quick and easy cleaning and tank changes.
