Plastic Coil CoilMac EX+ Oval 4:1

MAPKCOILMACEX

With its heavy duty punch motor, built-in electric coil inserter and complete system of functions, Akiles CoilMac-EX Coil Binding Machine (Oval Die) makes coil binding fast, easy, convenient and professional, making it the ideal partner for commercial volume workloads. The CoilMac EX can punch up to 25 sheets per lift and includes a foot pedal control for easier punching and inserting.

Extended Features

With a combination of standard features (such as a paper alignment guide and margin depth control) and special “plus” features (such as 44 fully disengageable pins and oval holes), the CoilMac-EX+ covers all your bases.

CoilMac EX+ Oval 4:1

Plastic Coil Combo

Features

- Punches up to 25 sheets of 20lb bond with punch button or hands-free foot pedal
- Larger oval punch pins can improve coil insertion time by up to 50%
- The open-ended punch throat allows punching of documents up to 14"
- Larger built-in roller for faster and easier coil insertion
- Foot pedal operation allows for the free use of both hands
- U-Shaped Alignment Channel helps to conform the spine of larger diameter documents to the coil's shape, for faster and eaier insertion.
