Koilmatic Auto Inserter crimper

MAPKKOILMATIC

The Koilmatic is an affordable fully electric table-top automatic coil inserter designed with the digital print market in mind. No tools required. Binds up to 450 books / hr. No tools required for basic setup & changeover. The LCD Screen Guides operator through setup and operation. Having a vertical book placement can accommodate tabs or wider covers. Consistent simultaneous crimping on both coil ends. Low maintenance design doesn't require expensive service contracts.

Increased Productivity

Mounted blocks are in place for immediate adjustment for the common 8.5" or 11" binding edges. With vertical book placement can accommodate tabs or wider covers.
