27" Roll Laminator LamRite #2700

MAPLLAMRITE

The LamRite 2700 is a fast, easy to use roll laminator. This laminator features adjustable tension on both upper and lower rolls to assure controlled, smooth even lamination without wrinkle or curl. This premium laminator uses film up to 27" wide, and delivers high quality lamination and is the easiest, safest, and most reliable roll laminator on the market.

Heated Silicon Rollers

Rollers apply heat and pressure for a superior lamination seal with none of the scratching found on heat shoe machines.
