Triumph Cutter 6655

MARL6655

The MBM Triumph 6655 25 1/2" Programmable Cutter has a comprehensive SCS safety package: patented EASY CUT electronic blade activation bars for true two-hand operation; transparent, electronically controlled front safety guard; safety cover on rear table; main switch and safety lock with key; patented IDEAL safety drive; automatic blade and clamp return from every position; disc brake for instant blade stop; blade changing device covers cutting edge of blade; blade depth adjustment from outside of machine; blade and cutting stick can be changed without removing covers.

Easy to Use

Patented EASY CUT blade activation bars ensure true, two handed operation and allow blade and clamp to be activated independently.

6655

Triumph Cutter

Features

- Triumph 6655 cuts up to an amazing 25½ inch cutting width, which accommodates parent stock
- Has an electric blade, clamp, and back gauge drive
- This high storage capacity, programmable back gauge control module has a 10 button keypad and LED display stores 99 programs (up to 99 steps each) and frequently used measurements
- Control module features repeat cut and eject functions
- “Set” function key for reference measurement
- Up to 9 repeat cuts can be integrated into a program in a single step
- Digital measurement readout in cm or inches (accurate to 1/10 mm or 1/100 inch)
- Automatic clamp is guided on both sides to apply even pressure along entire cutting width (can be lowered or raised independently from blade)
- Dual side guides on front and rear tables
- Spindle-guided back gauge with narrow separations and plastic gliders
- Electronic hand wheel with variable speed control for manual back gauge setting
- Bright, LED optical cutting line
- Self-diagnostic system with error indication on display
- Safety Cutting System features come standard
- German manufactured Solingen steel blade
- Solid steel blade carrier and adjustable blade guides
- MBM’s cutter is all-metal constructed

SPECS

Cutting Width	25½”
Cutting Height	3”
Narrow Cut	1”
Back Gauge	24”
Blade Drive	electric
Clamp Type	automatic
Measurement	digital display (cm/inch)
Cutting Indicator	yes
Table Safety	electronic, transparent guard
Blade Bars	yes
Tool Holder	yes
Accessories	side tables
Dimensions	48” x 39” x 51”
Weight	648 lbs
Electrical Req.	115 V / 60 Hz
Motor Output	2 hp
