IntoPrint DF-330 Laser Envelope Feeder

MISP1360DF330

The DF-330 joins the progressive line of digital printer feeders from Straight Shooter.

A simplified hopper design and chassis T-system make for easy set up and rapid job changeovers from size to size and job to job. A new on board jogging system “jostles” envelopes down to the last piece for care free operation. All this and more will make your production printer... productive!

Eliminate Skew

Flex Belt™ technology has been designed and incorporated into the DF-330 to eliminate skew and ensure accurate envelope delivery from start to finish.
